Competition Format

The Athletics competition consists of three disciplines. All registered athletes in Athletics can compete in multiple disciplines. For example, an athlete entered in the Road event may also choose to compete in a distance event in Track and Field.

Each athlete can enter up to six events in Track and Field, plus one event in Road.

In line with the sport specific rules, an athlete must compete in their designated age group, with your age determined as of 7th February 2026. For example, if you turn 40 by the 7th February 2026, you would compete in the 40-44 age category.

If there are insufficient entries in an age category, categories may be combined in order to conduct a viable competition. The awarding of medals will not be affected, that is, individuals will still be awarded medals in the age category in which they originally entered.

Appeals

1. If an athlete is not satisfied with the Referee's decision, the athlete may appeal to the Jury of Appeal. This appeal must be submitted in writing on the official appeal form, available from TIC. The form must be lodged with TIC within 30 minutes of the referee's decision.
2. To arrive at a fair decision, the Jury of Appeal can consult all the available evidence and interview all those whom they consider necessary. The Jury will issue a written decision for each protest and it will be available at the TIC.
